

Ladies and Gentlemen

Once more it is time for our annual Appraisal Day which I warmly welcome you to. This has always been a valuable and enriching experience for us when we look back and see our achievements, while noting all to be undertaken in the coming year.

This year, we have an extended deanery with the parishes of Princes Risborough and Haddenham/Long Crendon joining the Aylesbury parishes

to form the deanery of St John Fisher/Mid Bucks. This again, will be an enriching experience with new faces and blood to energise us.

We warmly welcome their parish clergy to join us on this day and representatives from their parishes - should they be able to.

We start with tea/coffee at 13:45h in the staff room, ending at 16:15h.

We will then proceed to the chapel in the School to commence our meeting.

Our guest speaker this year is a young Jesuit priest from Campion Hall who will speak on a Gospel theme close to his heart.

It will be a full afternoon with a lot of interesting speakers with rich ministries in our APA.

I enclose a programme for the day.

Kindly get back to me and let me know you are coming which is necessary for planning and cuisine purposes.

In Christ

Fr John P Beirne PP
